### BRITISH TRADE UNIONS ASK GOVERNMENTS AID FOR PRICE REGULATIONS

London, June 30—A special trades union Congress of 600 delegates, representing 3,000,000 organized workers, met in London and passed a resolution asking the government to take steps to regulate the prices of food and fuel. The resolution expresses the view that

price regulation could be enforced only by a department of the government with power to commandeer and distribute food and fuel, fix freight rates, requisition home grown crops and establish standard prices for fuel. The movers of the resolution said prices had increased 59 per cent, owing largely to rise in freights and the greater cost of coal.

The congress also adopted an alternative resolution in favor of government ownership of all merchant ship-

ping. The congress also adopted a resolution asking for an increase of 50 per cent. in old age pensions during the period of high prices.

### GERMAN CATHOLICS MEET.

Wallingford, Conn., June 30—The German Catholic societies of the state opened the 2th annual convention here today. The sessions will last three days and hundreds of visitors

are expected. Societies in New Haven, Hartford, Torrington, Waterbury, Meriden, New London and other places are represented in the gathering.

Feeling the responsibility of co-operating with the government, some of our food manufacturers are no doubt making all possible haste to get ready supplies of embalmed beef for the soldiers on the border.

### STEWART CAUGHT BOYS WHO HAVE BEEN ROBBING PARK CITY YACHT CLUB

Eugene Healy, steward of the Park City Yacht club, is feeling just a bit piqued at the police. "Not that I want to claim credit," said Mr. Healy today, "but I can't see where the detective bureau gathers the nerve to give it out that they caught the boys who have been robbing the Yacht

club. "Seven times the Yacht club has been robbed and seven times I complained to the police. Seven times the police ignored the complaint and the boys began to feel that nothing is safer than entering the Park City Yacht club.

"As the police did nothing, I decided to police the place myself. I 'laid' for the boys and caught a couple of them in the building. I called two policemen and turned them over.

Then I went out in front and caught some more.

"I don't want any credit for doing this. I did it because the police wouldn't." In the city court yesterday, George Murphy, 14, of 178 East Main street, was fined \$25; Howard Hubbard, 11, of 3 East Main street, \$15; Percy Smith, 10, 40 Pierpont St., on probation; Joseph Ymiato, 12, of 102 Pembroke street, received a continuance.
